

Mazor Robotics Receives Order for Three Mazor X Systems from a Leading Mid-Atlantic Health Care

CAESAREA, Israel-([BUSINESS WIRE](#))- Mazor Robotics Ltd. (TASE:MZOR; NASDAQGM:MZOR), a pioneer and a leader in the field of surgical guidance systems, today announced a three-system order for the Mazor X from a first-time customer, a leading mid-Atlantic health care organization which will install the systems at three of its medical center.

“The level of enthusiasm following the launch of the Mazor X system at the NASS conference in October remains high and continues to generate considerable momentum,” commented Ori Hadomi, Chief Executive Officer. “This is the second multi-system order during the fourth quarter, both representing new customers, and demonstrating the co-marketing activities with our commercial partner are increasing the market’s awareness for our advanced surgical guidance systems.”

The Company will announce the total number of system orders for the fourth quarter on January 5, 2017.

About Mazor Robotics

Mazor Robotics (TASE: MZOR; NASDAQGM: MZOR) believes in healing through innovation by developing and introducing revolutionary technologies and products aimed at redefining the gold standard of quality care. Mazor Robotics Guidance Systems enable surgeons to conduct spine and brain procedures in a more accurate and secure manner.

Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 and other securities laws. Any statements in this release about future expectations, plans or prospects for the Company, including without limitation, statements regarding the market momentum for the Mazor X system, the benefits of the cooperation with Mazor’s commercial partner, and other statements containing the words “believes,” “anticipates,” “plans,” “expects,” “will” and similar expressions are forward-looking statements. These statements are only predictions based on Mazor’s current expectations and projections about future events. There are important factors that could cause Mazor’s actual results, level of activity, performance or achievements to differ materially from the results, level of activity, performance or achievements expressed or implied by the forward-looking statements. Those factors include, but are not limited to, the impact of general economic conditions, competitive products, product demand and market acceptance risks, reliance on key strategic alliances, fluctuations in operating results, and other factors indicated in Mazor’s filings with the Securities and Exchange Commission (SEC) including those discussed under the

heading "Risk Factors" in Mazor's annual report on Form 20-F filed with the SEC on May 2, 2016 and in subsequent filings with the SEC. For more details, refer to Mazor's SEC filings. Mazor undertakes no obligation to update forward-looking statements to reflect subsequent occurring events or circumstances, or to changes in our expectations, except as may be required by law.
