

## Teaching Hospital in Georgia Orders a Renaissance System from Mazor Robotics

CAESAREA, Israel –([BUSINESS WIRE](#))– Mazor Robotics Ltd. (TASE: MZOR; NASDAQGM: MZOR), a developer of innovative guidance systems and complementary products, announced today that a hospital in Georgia, USA placed an order for its first Renaissance system.

“With its first order of a Renaissance system, the hospital is the third hospital in the state of Georgia utilizing the system,” commented Ori Hadomi, Mazor’s Chief Executive Officer. “We are proud to have one of the premier teaching hospitals in the United States choosing to implement the Renaissance product in its spine surgery programs. This order is in line with Mazor’s strategy to focus sales on major metropolitan areas and create geographic clusters of Renaissance systems.”

## Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 and other securities laws. Any statements in this release about future expectations, plans or prospects for the Company, including without limitation, statements regarding the expectations for growth in system sales and recurring revenue, the Company’s expected sales in 2016, and other statements containing the words “believes,” “anticipates,” “plans,” “expects,” “will” and similar expressions are forward-looking statements. These statements are only predictions based on Mazor’s current expectations and projections about future events. There are important factors that could cause Mazor’s actual results, level of activity, performance or achievements to differ materially from the results, level of activity, performance or achievements expressed or implied by the forward-looking statements. Those factors include, but are not limited to, the impact of general economic conditions, competitive products, product demand and market acceptance risks, reliance on key strategic alliances, fluctuations in operating results, and other factors indicated in Mazor’s filings with the Securities and Exchange Commission (SEC) including those discussed under the heading “Risk Factors” in Mazor’s annual report on Form 20-F filed with the SEC on April 29, 2015 and in subsequent filings with the SEC. For more details, refer to Mazor’s SEC filings. Mazor undertakes no obligation to update forward-looking statements to reflect subsequent occurring events or circumstances, or to changes in our expectations, except as may be required by law.
